

.bi

This article describes the procedures and requirements of .bi domain names.
Click on the subject below to open the dropdown for more information.

Registration

Successful domain registration via [RCP](#) or [XML API](#) or [REST API](#) requires:

- two or more nameservers or a nameserver group

Premium domains (short, memorable, and general names) are more expensive in registration optionally and renewal (e.g. car.tld).

NB: The minimum registration period for the domain is 2 years so you will be charged two times the current registration price.

Transfer

Successful domain transfer via [RCP](#) or [XML API](#) or [REST API](#) requires:

- two or more nameservers or a nameserver group

NB: The minimum transfer period for the domain is 2 years so you will be charged two times the current transfer price.
