Registration period after transfer	unchanged
Average transfer time	
Advanced and simple transfers available	Contact our Sales department to check if easy transfer of 100 or more .tn domains is available.

Update

Owner change (trade)

An owner change can be performed by updating the owner handle of the domain. Trades are not real-time and are processed manually.

The documents that need to be provided for ownership change of a .tn domain are:

- Either a local registered company certificate or a registered trademark which covers Tunisia.

You can initiate a domain owner change via [RCP](#) or [XML API](#) or [REST API](#), this will generate a notice on our end and a member of staff will reach out to source the above mentioned documents.

Other update

An contact update can be performed by updating the handle of the domain. This change is processed realtime.

Deletion / Restore

Delete

A domain can be deleted manually. Deletion has to be done at least two days before renewal.

Restore / reactivate

- If you wish to restore a .tn domain after expiry, please contact our [Support Team](#) to check if your domain can be restored manually.
