Industry news

Industry insights from the past 20 years

This year, we are celebrating our 20th anniversary at Openprovider! In this blog article, we take a trip down memory lane with our CEO, Arno Vis. We explore how the domain industry has changed in the past 20 years, and, more importantly, what's coming next! Click [here](#) to read the full article.

5 new gTLDs on the market

On January 24, 2024, five new TLDs entered their Sunrise Phase: .diy, .food, .living, .lifestyle and .vana. All five domain extensions are available at Openprovider. Click [here](#) to learn more about each new domain extension, plus practical information about launch phases, registration requirements, and pricing.

Webinar

A promotional banner for a webinar. The background is dark blue with a subtle pattern. On the right, there is a photograph of two men: one in a blue shirt and glasses holding a laptop, and another in a tan suit pointing at the screen. On the left, the text is white. The logo 'openprovider' is in red and white, followed by 'Webinar' in white. The main title 'Membership benefits' is in large white font, with 'Big savings Boost ROI' below it. At the bottom left, there is a calendar icon, the date 'February 13th', a clock icon, and the time '10:00 am CET'.
