Updates about the NIS2 Directive

Domain trends - surprising differences!

**Beyond .com's 44% –
Discover the trends
we're seeing at
Openprovider**

openprovider

We looked at the numbers in current worldwide domain popularity and compared them to what we see at Openprovider. Want to know which 6 TLDs made it into the Openprovider top 10 but not into the worldwide one, and which TLD saw its popularity at Openprovider grow by more than 17000% in the past 10 years? [Click here to find out!](#)

 Webinar

WHMCS update: key enhancements and roadmap

 June 11th |  10:00 am CET

Join us on Tuesday, June 11th for a deep dive into the updated version of the Openprovider WHMCS module. Our support team lead, Sarath, will take you through our module's latest enhancements, including a live demo of the new features. We want to hear from you, too! When you sign up for the webinar, please let us know what other features and improvements you want to see in the module - or let us know during the Q&A session.

Click [here](#) to sign up.

Learn & compare
