Updates about the NIS2 Directive

.it.com is coming soon!

Exciting news - the new.it.comdomain extension will be launching at Openprovider very soon!

.it.comis a new, versatile, catchy, and affordable domain extension. With the well-known IT acronym, it is a particularly suitable choice for websites targeting the IT industry and/or Italy. If you want a .comdomain name that is already taken or retails for thousands of dollars as a premium domain name,.it.comis a great alternative.

.it.comwill be launching very soon. Keep an eye out for our emails and[control panel newsfeed](#)to find out as soon as it launches!
