

Purchase and Activation of 3rd party Extension Keys from Plesk

We provide third-party extension keys from Plesk for products such as:

- CloudLinux
- KernelCare
- Acronis Backup
- Imunify360

You can purchase these keys in [RCP](#) from:

Plesk Licenses >> Order New Plesk License >> Third Party Extension Keys >> Order >>

Select product type and period, then click on **Order now**

Activation Process

1. Once the order is placed, the activation key will be sent to the reseller.
 2. Log in to your Plesk panel.
 3. Go to Tools & Settings → License Information (previously 'License management').
 4. Enter the activation key to install the product.
